

## Welborne Associates Receives 2009 Best of Business Award

SAN FRANCISCO, January 15, 2010 The Small Business Commerce Association (SBCCA) is pleased to announce that Welborne Associates, a northern Indiana company, was selected for the 2009 Best of Business Award in the Consulting category.

Jim Welborne, owner and chief technical consultant of Welborne Associates, stated “All of us here at Welborne Associates are honored to have received this award in consulting. We would like to thank all of our clients who over the last 19 years have trusted us to solve performance issues and to implement positive changes in their companies. Without you, we would not be here, let alone receive such tributes as this!”

The SBCCA 2009 Award Program recognizes the top 5 percent of small businesses throughout the country. Using consumer feedback, the SBCCA identifies companies that we believe have demonstrated what makes small businesses a vital part of the American economy. The selection committee chooses the award winners from nominees based off information taken from monthly surveys administered by the SBCCA, a review of consumer rankings, and other consumer reports. Award winners are a valuable asset to their community and exemplify what makes small businesses great.

Established in 1991, Welborne Associates of LaPorte, IN specializes in working with small businesses throughout the Northern Indiana and Southwest Michigan corridor. “We offer services in the latest network platforms and management tools for clients as part of our newly released Productivity Assurance Services<sup>®</sup> Program. We use managed services to ensure your network is always efficient, safe, and productive. Through our certifications and partner relations we are capable of providing a full line of hardware, software, training and support services,” said Welborne. Jim was also the recipient of the Michigan City Rotary Alinski award in 2007.
